Approved Wireless/Data Carriers

Have you always wanted to have all of your job information with you in the field, electronically? Did you ever wish you could finalize and submit invoices immediately after completing a job? Now you can with eDirectGlass Mobile Edition, the industry's **first** mobile solution.

eDirectGlass Mobile Edition is your **complete** AGR billing and management system when you are on the move. From most mobile wireless devices, such as the Palm Treo 700 series or any 2005 Microsoft Mobile Edition Phone, you now have all of the relevant job information in the palm of your hand.

eDirectGlass Mobile Edition gives you all the built-in productivity tools you need to make it through your busy day:

- ⇒ **Schedule Manager**
- ⇒ **Repair Order Management**
- ⇒ **NAGS™ Parts & Pricing**
- ⇒ **Driving Directions & Route Planning**
- ⇒ **Two-way Messaging**
- ⇒ **Mobile Repair Order Printing**
- ⇒ **Payment Processor for Credit Cards**
- ⇒ **and More!**

Finally, you can complete your paperwork and invoicing from the installation or repair site!

eDirectGlass Mobile Merchant Edition

An Industry First!

Accept Payments Anywhere-Anytime

You can now add the **Mobile Merchant Edition** to your eDirectGlass subscription and process credit card and check

payments in the field. **No other POS vendor can offer this so act now!**

* Wireless Internet and Mobile Phone service is also required for Mobile Edition and is not included. eDirectGlass works with most mobile carriers. Check with an eDirectGlass Representative for hardware and service plans. * Qualification based on individual and/or business credit status. Existing merchant accounts do not work with our service. You must have a mobile Internet data account with your approved Mobile Device. Additional mobile merchant accounts are billed at the rate of \$5.00 per month in addition to the base eDirectGlass Mobile Edition subscription cost. Terms are subject to change so contact an eDirectGlass sales representative for latest pricing.
